

NOTICE TO MARINERS No 07 - 2018

Obstruction adjacent to berth 6, Nigg Energy Park

Chart – BA1889

Mariners are advised that a small ships anchor and chain has been located on the sea bed at Nigg Energy Park 2.0 to 3.0m due south of Berth # 6 fixed light (F.G.3M).

Any vessels or MODU's operating within the area should do so with caution.

Recovery of the anchor and chain will begin in February 2018. Once recovered this notice will be cancelled.

All mariners should seek advice from Cromarty Firth Port Radio on VHF Ch11 or 01349 852308 if required.
