

ADDITIONAL PERMISSION FOR NIGHT BUNKERING PERMIT

PoCF Permit No: PW

Additional considerations for granting a night bunkering permit	Yes
Low wind, and calm sea state	
Sufficient hose length and moorings are capable of dealing with tidal movement	
No vessel traffic or operations which could affect the bunkering operation	
Ensure Port Radio are in contact with bunkering operative/responsible person	

I (Port Manager or designate) received a minimum of 3 hours notice, as required by the Merchant Shipping Act 1995, and am satisfied that the bunkering operation may go ahead in the hours of darkness.
