

## **NOTICE TO MARINERS No 12 - 2020**

### **Updated BA charts**

Charts – BA1077, BA1889, BA 1890

Mariners are advised that following a recent survey and overview of the Cromarty Firth, new edition charts have been published by the UKHO.

Charts BA1077, BA1889 and BA1890 have been updated and new editions published due to some significant changes with anchor positions, new quayside developments and depths.

All mariners are advised to navigate with caution, ensuring their charts and electronic navigation systems are updated at all times. Should anyone wish to seek further information or advice they should contact Cromarty Firth Port Radio on VHF Ch11 or 01349 852308 if required.
