

NOTICE TO MARINERS No 08 – 2021

Wind Turbine Hull Structure

Charts – BA1077, BA1889

Further to PoCF NtoM 06-2021, Mariners are advised that the tri-form wind turbine hull structure (see attached photograph) has been towed to its final wet-stow location within the Cromarty Firth at **57° 41.030 'N 004° 04.526'W**

The structure is fitted with a navigation light on each corner, all synchronised to exhibit the following characteristics:

Yellow Special Mark light flashing once every 5 seconds with a range of 3 miles (Fl Y 5s 3M)

All associated mooring equipment has been removed.

Mariners are advised to navigate with caution in this area and should seek advice from Cromarty Firth Port Radio on VHF Ch11 or 01349 852308 if required
