

UNIVERSITY OF ABERDEEN

NOTICE TO MARINERS

No. UoA/10/2021

MORAY FIRTH, SCOTLAND

Date of notice: 4th October 2021

With reference to notice UoA/09/2021, mariners are advised that the University of Aberdeen has completed the works listed in tables 1 and 2.

Table 1. Completed mooring and equipment **removal**.

Name	Coordinates (WGS84 datum)		Characteristics
117	57°41.172'N	004°00.159'W	Subsurface
204	57°34.559'N	004°04.906'W	Subsurface

Table 2. Completed mooring / equipment **service & reinstallation**.

Name	Coordinates, as laid (WGS84 datum)		Characteristics
1	57° 41.420' N	003° 58.904' W	Surface marked (buoy)
2	57° 35.133' N	004° 05.891' W	Surface marked (buoy)

The above moorings support acoustic loggers that record echolocation clicks of dolphins and porpoises (see image of device later in this notice).

For information and enquiries please contact:

Barbara Cheney,
Lighthouse Field Station, University of Aberdeen, George St., Cromarty, Ross-shire, IV11 8YL.
b.cheney@abdn.ac.uk)

Acoustic logger
(600 x 95mm)

Example of equipment which the above moorings support.
